- Lighting issues from survey discussed with Director of Facilities
 - A few years ago, a professional came out and did a survey of the building exterior and the parking lots to assess the best place to put lighting.
 - After the survey was complete exterior and parking lot led lighting was installed.
 - Dirt lots are intended as overflow parking.
- Wi-Fi issues from survey discussed with the Assistant Director of IT
 - RRCC Wi-Fi was recently migrated over to CCCS Wi-Fi to provide the campus with better coverage.
 - Additional updates to come soon.
