Assessment

If you are a new student, the state of Colorado mandates you take an assessment test for basic skills in reading, sentence skills and mathematics. Accuplacer, the assessment test, helps you and your advisor make appropriate course choices. Students who have graduated from or attended a Colorado public or private high school (or its equivalent) during the past two years or students who will be working toward a degree within the Colorado Community College System must complete the Accuplacer. If you have taken ACT or SAT in the previous five years, please check our Web site to see if your scores exempt you from this requirement.

If you have taken college coursework prior to starting classes at RRCC, please bring a transcript showing the coursework. An academic advisor will help you determine if you need to take the Accuplacer.

Study guides for the Accuplacer are available on our Web site and we highly recommend that you review these before taking the test. There is no fee for the first time you take the Accuplacer. If you wish to retest, there is a \$5.00 charge for each repeated test.

When you plan to test, please be sure you have completed an application to RRCC and bring a state or federal issued picture ID with you; no appointment is necessary. The Accuplacer takes approximately 90 minutes, although you may take as long as you need to complete the test. The start times for testing are listed below.

Colorado Residents

Sign up for the College Opportunity Fund (COF). The College Opportunity Fund (COF) is a state-funded program that provides a per-credit subsidy for residents attending state-supported and participating private colleges and universities. This money, referred to as the COF stipend, is applied to an in-state student's tuition, provided the student applies for and authorizes its use. The college you are attending will receive the money and it will appear as a tuition credit on your bill. COF Rates are set annually by the Colorado Department of Higher Education. Failure to apply for COF or comply with HB1023 could result in your tuition being changed to non-resident.

If you do not apply for COF funding, you are responsible for both the student share and the state share of all tuition and fees. (You need to apply for COF only once, and you must authorize it's use.) Please review your bill each term to ensure your COF stipend has been correctly applied to your account.

Colorado Resident Base Tuition Calculation: Total in-state tuition (per credit) \$176.90. Minus "COF Stipend" - \$68.00. Student's share of in-state tuition (per credit) \$108.90. ***COF Stipend amount is subject to change without notice.**

Payment Dates

DO NOT WAIT FOR A BILL.

If you register for summer semester between April 5, 2010 and May 13, 2010, you must pay by May 13, 2010. If you register after May 13, 2010, payment is due by the first day of your class.

If you register for fall semester between April 5, 2010 and August 2, 2010, you must pay by August 2, 2010. If you register after August 2, 2010, payment is due by the first day of your class.

Do not assume you have been dropped from a class for missing payment deadlines, for not logging in to an online class, or for not attending class; you must ensure that you drop a class before the drop/refund date or you will be responsible for full payment.

You may drop a class online by an email to: admissions@rrcc.edu, or by fax to 303.989.6457.

Drops may NOT be made by phone.

Past Due

If your account is past due, you may not register for classes. Past-due accounts will be turned over to the Colorado Central Collection Services in accordance with Colorado law, and collection costs will be added to your account balance. Spring 2010 past due accounts not paid by June 9, 2010 will be subject to interest charges at 8% per year in accordance with Colorado law. Your delinquency will be reported to national credit bureaus. You will not be issued a transcript. The charge for a returned payment is \$25. If your check is returned by your bank, you will be required to pay in cash, by certified funds, or with a credit card, at the Cashier's Office at the Lakewood Campus.

Monthly Installment Payment Plan

If you are taking at least four credits, you can sign up online for the Installment Tuition Payment Plan. You must enroll in the plan at the beginning of each semester that you would like to pay in installments. Monthly payments may be made using Visa, MasterCard, Discover, American Express, or by automatic withdrawal from a checking or savings account. There is a nonrefundable \$25 enrollment fee for each term in which you enroll. Returned payment charges apply for any payments returned by your bank. Check the Web site at www.rrcc.edu/tuition to familiarize yourself with the plan and to enroll. If you are under 18, your parent or legal guardian must sign.

When to Apply for the Payment Plan

Your tuition and fees will be divided into multiple payments depending upon when you sign up for the monthly payment plan. You must pay your balance due in full before registering for classes for the following term.

Please be sure to keep your budgeted balance up-to-date with the payment plan processor and be sure to check your bill throughout the term to ensure your payments are correctly posted to your student account.

Refund Policy

- All refunds are issued by check and processed automatically after the twelfth day of the semester. If payment is made by credit card, a refund to the card can be requested from the Cashier's Office.
- Your refund may not include the \$11.45 registration fee, the \$25 Installment Tuition Payment Plan fee or materials fees. Tuition and student fees will be refunded. The \$11.45 registration fee will be fully refunded if all classes for summer term 2010 are dropped by June 9, 2010 and if classes for all term 2010 are dropped by September 8, 2010.
- Only classes dropped by the course drop/refund date are eligible for refund.

Do not assume you will be dropped for not attending class or missing payment deadlines.

You are responsible for dropping your classes. Drop dates may vary by class. Please review the schedule to ensure you know the specific date applicable to each course in which you are enrolled. If you do not drop your class by the date noted in the schedule, you are responsible for the full cost of the course.

- If a course is canceled by the college, you are eligible for a 100 percent refund of tuition and fees.
- Your refund check will be mailed to the address on file in Student Records. It is your responsibility to keep the address on file with RRCC updated. Change your address online or by contacting Admissions in writing or by email.
- Please check with the Bookstore regarding any textbook refunds.

Financial Aid

All Red Rocks students are encouraged to apply for financial aid. The first step to receive financial aid is to submit a Free Application for Federal Student Aid (FAFSA) for the appropriate academic year.

The process takes 6-8 weeks, so apply early! The results of the FAFSA application will help the Financial Aid Office at Red Rocks Community College determine the type and amount of aid you will be eligible for. We must receive the results of this application before you will be considered for any federal or state financial aid. You are encouraged to check your My Community Education account online for additional requirements and financial aid status.

How to Submit the FAFSA:

Apply online at www.fafsa.ed.gov using RRCC's school code of 009543.

You and your parents (if you are considered a dependent student – see FAFSA dependency status questions) may want to apply for a Personal Identification Number (PIN) before starting the application. You will use the PIN to electronically sign it once you finish. The link to apply for a PIN is in the "Before Beginning a FAFSA" section of the FAFSA website.

If you need assistance completing the FAFSA, contact the RRCC Financial Aid Office to arrange an appointment with an Educational Opportunity Center (EOC) representative.

Although applications for financial aid can be submitted throughout the year, priority dates have been established so that awarding can be completed before the first day of classes. If you have been awarded financial aid by the first day of classes, you can expect to have the aid credited to your account shortly after the drop/refund date. Any funds remaining after the total bill is paid will be mailed to you within the two weeks following the drop/refund date.

To receive aid for:

Summer 2010
Fall 2010
Spring 2011

Generally,

if you

and

- you are guaranteed to be able to finish your liberal arts and sciences degree in only another 60 hours.

Meet with your transfer advisor as soon as possible for a list of applicable degrees. Special articulation agreements for Teacher Education, Business, Pre-Nursing, and Engineering have specific lower-division course requirements.

Certain majors require essential lower-division courses. Please meet with an advisor for information about obtaining a transfer guide that will help you select lower-division courses to speed you on your way to finishing your baccalaureate degree.

Credit earned for prior learning, Advanced Placement, correspondence courses, CLEP, and other credit from “testing out” of a course may not apply. The institution to which you transfer will evaluate these credits according to its own policies.
