## Red Rocks Community College offers a wide selection of scheduling options to meet your needs

For information call: 303-914-6444 or visit: [www.rrcc.edu/options](http://www.rrcc.edu/options)

### Weekend College

Need to go to school only on weekends? Check out our course listing of the variety classes available beginning Fridays at 5:00 pm through Sunday. Most weekend classes are also accelerated.

### Accelerated

When your schedule doesn't permit a 15-week class, try one of our accelerated classes. From 10 weeks, to one weekend, you'll find a variety of classes to meet your scheduling needs. Be sure to check-out Weekend College classes for other accelerated options.

### Self-Paced/Flex

Working with an instructor, you'll design your own schedule. Self-paced courses provide a great amount of flexibility and the opportunity to study when you have the most time to study.

### Hybrid

Often called the "best of both worlds," hybrid/flex courses are a mix of methodologies. Often students spend part of their time in the classroom and part of their time online. In other courses, time may be spent in a lab and working from home.

### RRCC Online

Online courses provide Red Rock's students with the opportunity to take classes from home. Students log in to a dedicated server and ask questions of their teachers, share information with fellow students, and complete reading assignments, homework, and tests.

### CCConline

Colorado Community Colleges Online (CCConline) provides community colleges throughout the state the ability to offer a wide range of online classes to their students. If you don't find what you need on campus, check out [www.cconline.org](http://www.cconline.org).

## Lakewood Campus

**13300 W. 6th Avenue  
Lakewood, CO 80228-1255  
303.914.6600**

Established in 1969, Red Rocks Community College has been providing high quality academic programs for over 40 years. More than 15,000 students per year choose RRCC to get a jump start on a bachelor's degree, earn an associate degree or certificate, update their skills, or enhance their lives. In addition to our campus locations, students can choose from hundreds of online courses. Our top-notch academics have been accredited by the Academic Quality Improvement Program of the North Central Association of Colleges and Schools. Plus specific programs such as Physician Assistant and Early Childhood Education have earned additional accreditation. RRCC courses are taught by highly-skilled instructors who are experts in their fields.

The RRCC main campus in Lakewood lies on a 140-acre hillside near 6th Avenue and Indiana Street—minutes from downtown Denver. Not only is our location convenient, the rolling hills of our grounds make for beautiful views and supports an active community. Our campus features a skateboarding half pipe, sand volleyball court, combined tennis/basketball court, and a rock climbing wall. In addition, our Student Life department offers something for every interest—Phi Theta Kappa honor society, student government, guest lectures, movies, and dozens of clubs centered around academics, outdoors, culture, and hobbies.

In Fall 2012, the Lakewood campus opened a student health clinic, staffed by Physician and Medical Assistants. And in 2013, the RTD Light Rail West Line will complete a stop near the campus at the 6th Avenue Service Road and Arbutus Drive.

For more information, please visit the waitlist FAQ's: [www.rrcc.edu/pdfs/WaitlistFAQs.pdf](http://www.rrcc.edu/pdfs/WaitlistFAQs.pdf)

## ► Waitlist Registration

Waitlisting will be available for:

- summer, full-term 8/9 week courses

- fall session 1 and session 2 accelerated courses

When a space becomes available in the waitlisted course, the first student on the waitlist will receive an automated email from RRCC to his/her student email account with the notification that a space is now available. The student then has a 24 hour window in which to register for the course. If the student does not register for the course within the 24 hour window, he/she will be dropped from the waitlist and the next student on the waitlist will receive a notification email.

For more information, please visit the waitlist FAQ's at: [www.rrcc.edu/pdfs/WaitlistFAQs.pdf](http://www.rrcc.edu/pdfs/WaitlistFAQs.pdf)

It is critical that you have your student email account activated and that you are actively monitoring it during the waitlist process. Your student email can be easily accessed through our student portal "The Rock."

For more information on your student email account, go to: [www.rrcc.edu/admissions/studentemail.html](http://www.rrcc.edu/admissions/studentemail.html)

## Drop and Withdraw Dates

All adds, drops and withdraws must be initiated in Admissions or online. Drop and withdrawal dates can be found by following these steps:

1. Go to [www.rrcc.edu](http://www.rrcc.edu)
2. Click on "The Rock"
3. Enter your **Student Number**
4. Enter your password. If you do not remember your password, click on Forgot password? in the "Need Help?" area of the log in window.

5. When you are done, close the Add or Drop Classes tab on your browser. This will return you to the Student tab on "The Rock."

► **Failure to officially drop or withdraw may result in a failing grade for the class. You will also be responsible for full payment of the class.**

## To Drop or Withdraw Classes Online

1. Go to [www.rrcc.edu](http://www.rrcc.edu)
2. Click on "The Rock"
3. Enter your **Student Number**
4. Enter your password. If you do not remember your password, click on Forgot password? in the "Need Help?" area of the log in window.
5. Click on the **Student tab**
6. Under **Registration Tools**, click on **Add or Drop Classes**
7. Select the appropriate term, and click "**Submit**"
8. Follow directions at the top of the page.
9. When you are done, close the Course Schedule Detail tab on your browser. This will return you to the Student tab on "The Rock."

► **NOTICE: To drop a class, you must do so by the drop date for that class. Classes dropped after the drop date result in a "W" grade and are considered a withdraw. You will also be responsible for full payment of the class.**

*Do not assume you have been dropped from a class for missing payment deadlines. You are responsible for dropping a class before the drop/refund date or you will be responsible for full payment. If you do not attend any class sessions between the start of the course and the census (drop) date of the course, you may be identified as a "no-show" student by the faculty member and potentially dropped from the course. Being dropped as a no-show student can have significant negative consequences if you are receiving financial aid and/or veterans benefits. If you are dropped for non-attendance, you will not be permitted back into the course.*

If you are an international student, you need permission from an international student advisor to make any adjustments in your schedule. Financial aid recipients who withdraw or reduce credit hours must consult with a Financial Aid counselor regarding repayment of financial aid funds, if applicable.

## Assessment

Students who are working toward a degree within the Colorado Community College system, or wanting to transfer guaranteed-transfer courses to a four year college, or are under the age of 21 must complete the Accuplacer assessment or provide exemption documentation (see below). The results will help you and your advisor make appropriate choices.

If you have taken college coursework prior to starting classes at RRCC, please provide a transcript(s) from any previous college you have attended. This will help an advisor determine if you need to take the Accuplacer.

The Accuplacer placement test is given on a walk-in basis (no appointment necessary) and is not timed. You must have applied and received a student identification number prior to taking and test and arrive with a government-issued photo ID at least 2 hours before the Assessment Center closes.

We strongly recommend you review the online study guides available prior to taking the Accuplacer. The study guides can be found at [www.rrcc.edu/assessment](http://www.rrcc.edu/assessment). You cannot "fail" the Accuplacer; your score is an indication of the level of coursework

you are ready to take. You are responsible for enrolling in basic skills courses during your first 30 credit hours of attendance if your assessment scores are below college level.

Students enrolling in Fire Science or Emergency Services coursework must consult the Emergency Services Department for their assessment requirements.

## High School Students

High school students can get a jump start on college by taking RRCC classes.

**Concurrent Enrollment (CE)** is a program where RRCC partners with school districts to offer college classes to high school students. Concurrent enrollment courses may be offered at the high school during the school day or students may take classes at an RRCC campus. Check with your high school to learn which options are available to you.

#### To get started, follow these simple steps:

1. Talk with your high school counselor
2. Complete the RRCC application and CE paperwork
3. Provide ACT/SAT scores or take the Accuplacer at RRCC
4. Visit with an RRCC High School Relations advisor

**High school and home schooled students** not participating in Concurrent Enrollment may also take RRCC classes. For more information, contact 303.914.6350 or visit [rrcc.edu/hs](http://rrcc.edu/hs).

## Western Undergraduate Exchange

The Western Undergraduate Exchange (WUE) is a program of the Western Interstate Commission for Higher Education (WICHE). Students who are residents of WICHE states may enroll at over 135 participating two- and four-year college programs outside of their home state at a reduced tuition rate. WICHE states include Alaska, Arizona, California, Colorado, Commonwealth of Northern Marianas Islands, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, and Wyoming. This is a great way for students to study at RRCC, but there are some restrictions:

- WUE/WICHE students are not eligible to participate in the College Opportunity Fund (COF).
- A student participating in the WUE/WICHE program may not use the time in Colorado to fulfill the physical presence requirement for in-state tuition.
- WUE participants must comply with HB-06S-1023 by proving lawful presence in the United States. See the Tuition and Fees page in this schedule for details on WUE/WICHE rates.
- The Physician Assistant (PA) program is not available for this program but PA students may qualify for the Professional Student Exchange Program (PSEP) which enables students to enroll in selected out-of-state professional programs usually because those fields of study are not available at public institutions in their home states. Please note that residents of California, Oregon and South Dakota are not eligible to enroll through PSEP. Information is available at [www.wiche.edu/psep](http://www.wiche.edu/psep).

**Information: 303.914.6543** or <http://wue.wiche.edu>

► **Waitlist Registration is available. See page 8 for details.**

Colorado state law defines the conditions that qualify you for in-state tuition. Your initial classification is based on information you supply on the Application for Admission. You must live in the state of Colorado for 12 consecutive months before you can apply for reclassification to resident status. The Petition for Residency Reclassification is available in the Admissions Office and online at [www.rccc.edu/tuition](http://www.rccc.edu/tuition). The deadline for a change in status for Summer 2013 is June 11 and for a change in status for Fall 2013 is September 4.

### Colorado Residents

#### • Sign up for the College Opportunity Fund (COF).

COF is a state-funded program that provides a per-credit subsidy for residents attending state-supported and participating private colleges and universities. This money, referred to as the COF stipend, is applied to an in-state student's tuition, provided the student applies for and authorizes its use. The college you are attending will receive the money and it will appear as a tuition credit on your bill. COF rates are set annually by the Colorado General Assembly. Failure to apply for COF or comply with HB1023 could result in your tuition being changed to non-resident. If you do not apply for COF funding, you are responsible for both the student share and the state share of all tuition and fees. (You need to apply for COF only once, and you must authorize its use.) Please review your bill each term to ensure your COF stipend has been correctly applied to your account. <https://cof.college-assist.org>

If you are sponsored by a third party, such as an employer or other agency, bring a check to the Cashier's Office from the sponsor or a letter stating that the sponsor will pay upon receipt of billing and before grades are released. Scholarships which have been awarded will be posted to your student account. Scholarships payable to international students have specific IRS requirements. If you are an international student a portion of your scholarship may be withheld to pay US federal taxes.

**Pay by mail:** Be sure to list the student S# and full student name on the check or money order. Mail a check or money order to:

Red Rocks Community College  
Cashier's Office, Box 2  
13300 W. 6th Ave., Lakewood, CO 80228-1255

**Pay online:** Go to [www.rrcc.edu](http://www.rrcc.edu) and log in to "The Rock" using your student ID#. Click the Student Finance tab and under Payment Options, choose the "Pay online with a credit card" link. Only MasterCard and VISA are accepted online. To pay with American Express or Discover, please contact the Cashier's Office at 303.914.6222.

## Billing and Payment Dates

**DO NOT WAIT FOR A BILL.** Your student bill is available online on demand in the portal. Log in to "The Rock" using your student ID#. While you are in The Rock, be sure to activate your student email address. Your student email address is the primary method we will use to communicate with you regarding your student bill. Please feel free to email [cashiers.office@rrcc.edu](mailto:cashiers.office@rrcc.edu) with any questions about your student bill.

### See the calendar on page 3 for payment dates.

Unless you are on a payment plan through AES, payment in full is due no later than the first day of class.

▶ **Do not assume you have been dropped from a class for missing payment deadlines. You are responsible for dropping a class before the drop/refund date or you will be responsible for full payment. If you do not attend any class sessions between the start of the course and the census (drop) date of the course, you may be identified as a "no-show" student by the faculty member and potentially dropped from the course. Being dropped as a no-show student can have significant negative consequences for students using financial aid and/or veterans benefits. Students who are dropped for non-attendance will not be permitted back into the course.**

You may drop a class online or by emailing [admissions@rrcc.edu](mailto:admissions@rrcc.edu), or by fax to 303.989.6919. **Drops may NOT be made by phone.**

## Past Due Accounts

**If your account is past due, you may not register for classes.** Past-due accounts will be turned over to a collection agency in accordance with Colorado law, and collection costs will be added to your account balance. Past due accounts not paid by the due date may be subject to interest charges at 8% per year in accordance with Colorado law. Your delinquency will be reported to national credit bureaus. You will not be issued a transcript. The charge for a returned payment is \$25. If your check is returned by your bank, you will be required to pay in cash, by certified funds, or with a credit or debit card, at the Cashier's Office at the Lakewood Campus.

## Monthly Installment Payment Plan

If you are taking at least four credits, you can sign up online for the Installment Tuition Payment Plan. You must enroll in the plan at the beginning of each semester that you would like to pay in installments. Monthly payments may be made using Visa, MasterCard, Discover, American Express, or by automatic withdrawal from a checking or savings account. There is a nonrefundable \$25 enrollment fee for each term in which you enroll. Returned payment charges apply for any payments returned by your bank. Check the Web site at [www.rrcc.edu/tuition](http://www.rrcc.edu/tuition) to familiarize yourself with the plan and to enroll. If you are under 18, your parent or legal guardian must sign.

### When to Apply for the Payment Plan

Your tuition and fees will be divided into multiple payments depending upon when you sign up for the monthly payment plan. You must pay your balance due in full before registering for classes for the following term. Please be sure to keep your budgeted balance up-to-date with the payment plan processor and be sure to check your bill throughout the term to ensure your payments are correctly posted to your student account.

## Refund Policy

- Refunds of payments made by credit card are first refunded to the original payment credit card.
- All remaining refunds are processed according to the refunding preference you selected on the HigherOne Web site.
- Through HigherOne, you may select an electronic deposit to your existing checking or savings account or you may choose to set up a new bank account with HigherOne. You may also choose to receive a paper check in the mail directly from Higher One, at your address on record with Admissions. Be sure to keep your address up to date.
- If you do not choose a refunding preference, you will receive your refund via paper check mailed to your address on file with RRCC, approximately 21 days after your batch refund posts to your student account.
- For more information about the HigherOne refunding process, check out: [www.rrcc.edu/tuition/refund.htm](http://www.rrcc.edu/tuition/refund.htm).
- Your refund will not include Barnes and Noble bookstore charges for items you purchased at the bookstore, the \$25 Installment Tuition Payment Plan fee, or materials fees. Tuition and student fees will be refunded. The \$11.65 registration fee will be fully refunded if all classes are dropped by the deadlines published for each term on page 3 or online.
- Only classes dropped by the course drop/refund date are eligible for refund.

▶ **Do not assume you will be dropped for missing payment deadlines.**

You are responsible for dropping your classes. Drop dates may vary by class. Please review the schedule to ensure you know the specific date applicable to each course in which you are enrolled. If you do not drop your class by the date noted in the schedule, you are responsible for the full cost of the course.

- If a course is cancelled by the college, you are eligible for a 100 percent refund of tuition and fees. Your refund will be issued as noted above.
- Please check with the Bookstore regarding any textbook refunds.

**Financial Aid**

All Red Rocks students are encouraged to apply for financial aid. The first step to receive financial aid is to submit a Free Application for Federal Student Aid (FAFSA) for the appropriate academic year.

The process takes 6-8 weeks, so apply early! The results of the FAFSA application will help the Financial Aid Office at Red Rocks Community College determine the type and amount of aid you will be eligible for. We must receive the results of this application before you will be considered for any federal or state financial aid. You are encouraged to check your My Community Education account online for additional requirements and financial aid status.

**How to Submit the FAFSA:**

Apply online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) using RRCC's school code of **009543**.

You and your parents (if you are considered a dependent student – see FAFSA dependency status questions) may want to apply for a Personal Identification Number (PIN) before starting the application. You will use the PIN to electronically sign it once you finish. The link to apply for a PIN is in the “Before Beginning a FAFSA” section of the FAFSA Web site.

If you need assistance completing the FAFSA, contact the RRCC Financial Aid Office to arrange an appointment with an Educational Opportunity Center (EOC) representative.

Although applications for financial aid can be submitted throughout the year, priority dates have been established so that awarding can be completed before the first day of classes. If you have been awarded financial aid by the first day of classes, you can expect to have the aid credited to your account shortly after the drop/refund date. Any funds remaining after the total bill is paid will be issued to your HigherOne Debit Card.

### Weekend College

Need to go to school only on weekends? Check out our course listing of the variety classes available beginning Fridays at 5:00 pm through Sunday. Most weekend classes are also accelerated.

### Accelerated

When your schedule doesn't permit a 15-week class, try one of our accelerated classes. From 10 weeks, to one weekend, you'll find a variety of classes to meet your scheduling needs. Be sure to check-out Weekend College classes for other accelerated options.

### Self-Paced/Flex

Working with an instructor, you'll design your own schedule. Self-paced courses provide a great amount of flexibility and the opportunity to study when you have the most time to study.

### Hybrid

Often called the "best of both worlds," hybrid/flex courses are a mix of methodologies. Often students spend part of their time in the classroom and part of their time online. In other courses, time may be spent in a lab and working from home.

### RRCC Online

Online courses provide Red Rock's students with the opportunity to take classes from home. Students log in to a dedicated server and ask questions of their teachers, share information with fellow students, and complete reading assignments, homework, and tests.

### CCCONline

Colorado Community Colleges Online (CCCONline) provides community colleges throughout the state the ability to offer a wide range of online classes to their students. If you don't find what you need on campus, check out [www.cconline.org](http://www.cconline.org).
