

Red Rocks School Age Child Care at Bear Creek K8 Elementary:

April Newsletter

Happy April!

I hope everyone is excited for the longer days and the warmer weather that is coming our way! We have a lot of exciting things planned for the last few months of the 23-24 school year. This month, we will be learning softball and handball skills while in the gym, along with learning about games from other cultures. Our STEAM curriculum will include butterfly art, science experiments with bubbles and cans, and growing our social and emotional skills by making worry pets. We are very excited for the month ahead!

Upcoming Full Days:

We also have a Full Day on Friday, April 26th at Kendrick Lakes, and we will be having Flex testing on Friday May 3rd at Kendrick Lakes!

Fall Registration!

It is hard to believe we are already thinking about the 2024-2025 school year!

Registration opens April 23rd for all currently enrolled families.

If you have any questions regarding school year registration, please let me know. I am happy to help!

SUMMER INFO:

- We will be accepting contract changes starting Wednesday, May 1st.
- We will be holding a summer orientation night for all new families. Details will be sent out via email to all currently enrolled summer families with the date and time. We highly encourage new families to attend but love seeing returning families attend too!
- If you have any questions regarding summer, please do not hesitate to reach out!

Share your Thoughts!

We believe that your insights can contribute to making an even more enriching and enjoyable environment for every student. We are planning to have a question posted at our Family Center every couple of weeks that we encourage you to answer to help provide us feedback on what you want to see in program. Whether it's your preferences for STEAM activities, active games, or ideas for additional options during care, your input is crucial. If you have any other suggestions that you would like to express outside of the posed questions, please feel free to reach out and let us know! Thank you for all your help in making this program the best it can be!

It's always a busy day at Red Rocks! Whether the kids are blowing bubbles, doing STEAM projects, or even playing dress-up—there is always something fun to do!

We need your help!

Every year during the summer we decorate our program to make it more fun and creative for the kids, staff, and families. We can use help with getting materials to use for our decorations. If you have any old or recycled materials such as boxes (any size), toilet paper rolls/paper towel rolls or anything else you think we can use please bring it in!
