MAPLE GROVE HIGHLIGHTS

BATTLE OF THE BOOKS WINNERS!

In the vibrant month of March, Maple Grove hosted an exhilarating reading comprehension competition known as the Battle of the Books. Here, teams comprised of three remarkable fifth-grade students, delved into the depths of 15 captivating novels - tackling questions that spanned from pivotal plot events to nuanced character descriptions, offering a total of 45 points for the taking. Among these literary warriors stood three of our awesome Red Rocks kids; Audrey, Charolette, and Murphy, who displayed exceptional prowess, securing an impressive 38 out of 45 points!

Their outstanding performance not only clinched them the coveted first place but also propelled them into the regional rounds. Such remarkable achievement speaks volumes about their formidable reading comprehension skills & dedication, especially considering they accomplished this feat within a mere two weeks of delving into each of those 15 novels!
